UIT DIE HOOF SE KANTOOR / VIA THE PRINCIPAL'S OFFICE

Om presies te wees, oor 'n week sluit die skool op 17 Maart 2022 om 10:00 Die eerste kwartaal het behoorlik gevlieg en tussendeur die toetse weet ek van 'n paar manne wie se tokse en hokkiestokke al regstaan vir toer! Best of luck to all our teams with the sport tours that are happening during the holidays. Please use the Google calendar (available on our website www.triohs.co.za) to stay up to date, but most importantly, make sure that your child is on his or her team's WhatsApp group where coaches will communicate the final arrangements. We know that parents are facing difficult financial circumstances and therefor I would like to say THANK YOU to each parent who is performing miracles in order to pay the tour fees. This is the times children remember most about their school years! Please note that tour fees must unfortunately be paid in full before the tour commences. We are leaning on each parent's understanding in this regard.

Baie geluk aan ons atlete wat medaljes verower het tydens die Vrystaat Atletiekbyeenkoms te Bloemfontein. Gun my egter die geleentheid om 4 van ons atlete uit te sonder en geluk te wens met hulle insluiting in die Vrystaatspan wat aan die SA's gaan deelneem: Megan van Biljon (verspring), Merinda Cronjé (Spiesgooi NUWE VS REKORD), Thuto Kekane (100m) en Tshepang Mofokeng (100m). Hierdie is regtig 'n groot prestasie as jy in ag neem dat 'n eerste plek in 'n item jou nie verseker van insluiting in die span nie. Baie sterkte met julle deelname aan SA's!

Die fietsryers maak ons ook opgewonde met die baan wat hulle, hul ouers, die afrigters en helpers besig is om te bou by die Landbouterrein! Hierdie ryers doen so op hul stil manier hulle ding en laat die speke klap tydens kompetisies. Ons kan nie wag om TRIO se eerste byeenkoms te kan huisves op ons EIE baan nie! Dankie aan mnre. Roelf van Schalkwyk, Willie Stoman, Philip Campher en elke ander persoon wat hier groot werk verrig.

Teachers and some of the RCL and SGB members were very fortunate to have a virtual session with mr Hykie Berg (well known actor, motivational speaker and winner of Survivor SA 2011). During this session I was once again reminded that we, as educators, play an immensely important role in speaking life in our learners' lives. We ask for your prayers to sustain and help us in doing this with enthusiasm, kindness, and tough love where necessary. As Hykie was quoting: "The greatest gift you can give another is not just to share your riches, but to reveal to him his own" Benjamin Disraeli

SBL TERUGVOER / SGB FEEDBACK

Die Skool Beheerliggaam het besluit om met hierdie kolom gereelde terugvoer aan ouers te verskaf oor sake wat vir hulle van belang is. Ons hoop dat dit die kommunikasie met ouers sal verbeter en onduidelikhede uit die weg sal ruim.

Besoeke aan die skool/koshuise
Ouers word uitgenooi om die skool en/of koshuise te eniger tyd te besoek om hulself te vergewis van wat aangaan. U sal sover as moontlik geakkommodeer word. U sal ook verstaan dat ons nie kan toelaat dat besoeke die daaglikse werksaamhede van die skool en die veiligheid van leerders en personeel nadelig beïnvloed nie. Meld asseblief by die kantoor aan met besoeke.

Koshuise
Ten einde orde tydens etes te verseker en seker te maak dat alle leerders kos kry, is daar nou drie personeellede tydens etes aan diens by die koshuis.
Let daarop dat leerders met vertrek, uit moet teken en met hulle terugkeer weer in moet teken by die koshuis, om te verseker dat genoeg kos voorberei word en ons kan weet wie veronderstel is om by die koshuis te wees en wie nie.

Op- en aflaai van leerders
Ons versoek ouers en diegene wat kinders op- en aflaai by die skool om by die roetes wat reeds gekommunikeer is te hou en die padreëls te gehoorsaam. Die situasie ruk by tye handuit en indien ons nie samewerking kry nie, sal ons genoop wees om die op- en aflaai van kinders binne die skoolperseel te staak.

Afrigters
Ons het meer sportspanne as waarvoor daar beplan is ('n positiewe verwikkeling). Dit het tot 'n tekort aan afrigters gelei. As u dus betrokke wil raak by afrigting óf van iemand weet wat genader kan word, skakel asb. die skool. Dit sluit afrigting in die verskillende atletiekkodes in.

Bestuurders
Ouers wat oor Openbare Bestuurspermitte beskik, word versoek om behulpsaam te wees met die vervoer van leerders tydens sportgeleenthede. Indien u bereid is om te help, skakel asseblief mev. Annelize van Schalkwyk by die skool 056 -212 5433.

Skoolreëls
U kind/kinders het reeds die skoolreëls ontvang. Dit is belangrik dat u en u kind uself vergewis van die inhoud, dit onderteken en terug besorg aan die skool.

Kleredrag tydens sportbyeenkomste
Tydens alle sportbyeenkomste moet leerders geklee wees in Trio-kleredrag, hetsy sport-of skoolklere.

Voorstelle
Trio is 'n jong skool (omtrent 52 dae) en, alhoewel ons trots kan wees op wat ons al bereik het, besef die Beheerliggaam dat daar nog 'n lang pad voorlê. Alles is verseker nog nie nie in plek is nie en alles verloop nog nie glad nie. Ons het u geduld en voorstelle (en nie net klagtes nie) nodig sodat ons alle fasette van die Trio-ervaring kan aanspreek en die skool nader aan sy volle potensiaal kan bring. Skakel gerus met enige van die beheerliggaamslede soos in die vorige omsendbrief gekommunikeer.

Trots Trio-groete.

The school's SGB decided to use the newsletter as a way to give regular updates to the parents with regard to various issues that might be of interest to them. It is our hope that this will serve as a way to improve communication and shed some light on certain issues that might be open to miscommunication.

Visits to the school and hostels
Parents are more than welcome to come and visit our school and hostels at any time. We will accommodate you as far as we can, however, we hope that you can understand that we cannot allow that visits interrupts or disrupts the normal, daily functioning of the school and that we cannot allow anything that might put the safety of our learners at risk. Always present yourself at the front office first before entering the school grounds.

Drop-off and pick-up of learners
We make an urgent request that you will keep to the routes already communicated in order to ensure proper traffic flow. We also urge our parents to please obey normal traffic rules when within the school premises and to please drive as slowly as possible to ensure the safety of our learners and staff. The situation at times has become unattainable and if this continue we will have no other choice but to limit access of vehicles on our school grounds.

Hostels.
Three additional staff members have been appointed to help with meal times at the hostel to ensure order and that everyone gets a sufficient serving. Please note that it is compulsory for all hostel learners to sign out and have to sign in again on their return – we have to have control on the whereabouts of hostel learners and this also serves as a guideline in food preparation for meal times.

Coaches
Currently we have more teams than what we have envisioned and planned for – this is an extremely positive development. Unfortunately this has also led to a shortage in coaching staff for the various sporting codes including athletics. If you want to become involved or know of someone that we can ask to become involved please contact the school office urgently.
Drivers
Should you have a Public Driver's Permit and are willing to assist us in transporting learners to various events please contact Annelize van Schalkwyk at the school on 056-212-5433

School rules
The school rules have been distributed to all the learners. Please make yourself familiar with the content thereof to avoid future confusion. Please sign to indicate that you have received the rules and then sent it back to the school promptly.

Clothing during sporting events
During all sporting events learners are obliged to wear either the official sport clothes and/or school uniform. NO CIVVIES.

Suggestions
Trio a young school (about 52 days to be exact) and although we are extremely proud of what we have managed to achieve thus far we realise that we still have a very long way to go. Everything is not in place and doesn't run as smoothly as we wish it to be. We are asking for your patience and also your suggestions (not just complaints) to address all aspects of the Trio – experience to ensure that this school that we are passionate about reaches its full potential. Please feel free to contact any of the SGB members, their numbers were communicated in the previous newsletter.

AGRICULTURE / LANDBOU

Waarmee het die TRIO Lanties hulle tydens die Grondprofielanalise-kursus besig gehou? Of course with texture, structure, clay content, horizons, compaction, effective depth, soil potential, soil form and many more - unfamiliar principals that started to make sense. Die graad 11-Landboubestuurspraktyk- en Landbouwetenskapleerders het gou besef dat sonder grond landbouproduksie nie moontlik sou wees nie.

It is important that agriculturist knows:
- what soil is;
- what the most important properties are; and
- how soil can best be managed to make sure that it remains a sustainable source.

Die kursus is vanjaar weer deur Bates Booyens (Grondkundige) van Omnia aangebied. Die teoretiese deel van die kursus het gehandel oor tekstuurklasse, struktuurklasse, grondkleur, effektiewe diepte, horisonte en die invloed van die morfologiese eienskappe op grondpotensiaal. Leerders het eerstehandse kennis opgedoen tydens die praktiese deel van die kursus waar twee profielgate, in die sojaboon aanplantings beskryf en ontleed is.
